20th National Photography Competition-2016-2017.

The Theme is –NATURE & DEVELOPMENT

Nature & Development are integral part of existence. Can nature & Development compliments each other or they contradict each other? Does technology help development? How sustainable is development for Nature? Can economic development ensure healthy Nature? Livelihood of many communities depend on nature, also natural resources are pivotal for development.

Those are thoughts which we have under the theme. We are looking for photographs those can provoke similar thoughts or appreciate efforts of someone who is making efforts to conserve Nature. Photographs which can illustrate that Nature & development can co-exist. If you think your photographs can communicate/relate the theme, please send us your entries.
