CERD

Centre for Engineering Research and Development (CERD) is established by Government of Kerala to act as a platform for the faculty and students of engineering colleges in the State to pursue their interest in basic and applied research in Engineering and Technology. Main objectives of the CERD include identifying potential researchers, promoting research through seed-money initiatives, establishing centers of excellence, supporting student projects, conferences and incentives for publications. CERD has a satellite centre at RIT Kottayam, that enhance the research arena enabling the college to be a center of excellence.

Thesis Presentation Contest

Thesis Presentation Contest is conducted annually at Rajiv Gandhi Institute of Technology, Kottayam since 2013 with the objective to create an interactive platform for discussing the academic and practical implications of the research work done by the final year M.Tech students who have satisfactorily completed the project. By doing so, the participants, experts from academia or industry, faculty and students shall address the short-comings and enrich the content of the work. There shall be prizes for two best papers and the poster from each stream.

Eligibility

Final year M.Tech (all branches) students who have satisfactorily completed their project for the year 2016 are eligible for the contest. The authors should submit the full paper not exceeding six pages, typed as per IEEE double column format in pdf and MS Word format through the email **ritmtechthesiscontest@gmail.com** with a copy to the department coordinator. There is no registration fee.

Important Dates

Last date for paper submission: 5th August 2016
Intimation of selection by e-mail: 8th August 2016
Submission of camera ready version of paper: 11th August 2016
Presentation of Thesis work: 19th August 2016

Technical Committee

The submitted papers will be screened by a technical committee from which six papers will be recommended for presentation as part of the thesis contest and remaining for poster presentation contest. The papers selected for poster presentation should be prepared in the prescribed format (will be available from the wesite of RIT, Kottayam) and printed version to be submitted to the PG coordinators by 5th August 2016. Presentations will be evaluated by a panel of two external technical experts based on which the first and second best works will be decided.
