Wesley Education Society is an ISO 9001 : 2008 certified organisation through Perri Johnson Registrars, Perry Johnson Certifications Pvt. Ltd. Its Head Office is at Michigan USA PJR has earned accreditation from ANAB (American National Accreditation - BOARD)

WESLEY EDUCATIONAL SOCIETY in association with Dr. J.V. Rao Group, a popular NRI organisation, with the first of its kind ISO 9001:2008 certification, with its wide network has been successfully excavating the latent talents of school students across the country. Dr. J.V. Rao Group in consultation with well experienced academicians has been conducting the Talent Search Examination for the last 21 years.

"Over 72,00,000 students have tested their competence in Dr. J.V. Rao Group Talent Search Examination"

"I don't think anybody anywhere can talk about the future of their people or of an organization without talking about education. Whoever controls the education of our children controls our future".

- Dr. Sarvepalli Radhakrishnan

Respected Sir/Madam,

The great visionary, anti apartheid, revolutionary politician Dr. Nelson Mandela stated that education is the most powerful weapon which you can use to change the world. In the light of this statement, schools across the nation have a massive role to play in preparing students to take up the challenges that they are supposed to face soon after they step into the highly competitive world. The very fact exhorts that, in addition to the regular classroom teaching and assessment, there is a need for students' exposure to a variety of assessment test tools devised in different environments and with different objectives. This will help them to gain an ease and expertise to tackle various tasks in the realm of harsh realities.

Defending the view, we the Wesley Education Society in association with J.V. Rao group, venture out for the first time, with a national level Talent Search Examination in the name of **WESLEY OLYMPIAD**, benefitting the students of India.

For the last 21 years, we have been successfully conducting **Dr. J.V. Rao Talent Search Examination** for the students of Andhra Pradesh and Telangana. And over 70 lakh students have gone through it by now. Enthused by the ever increasing response from the students and the parents, the Wesley Education Society is now stepping into the National scene by conducting National Talent Search Examination.

The Sanskrit quotation "SPARDHAYA VARDHATE VIDYA" underlines the importance of competition, and proclaims that the seed of the competitive spirit once sown, will naturally continue to reap the fruits of success through out the life.

The Wesley Education Society and Dr. J.V. Rao group together intend to bring out the inherent talents of the students while assessing the precise level of scholastic skills of the students from Class 3 to class 10 in subjects of Mathematics and Science as the two subjects serve as the touchstone to test their skills. This curriculum based test, with its test papers designed by the veteran educational specialists, will obviously judge the innate talents of the students true to their performance.

While acknowledging the support and participation of more than 850 schools in erst-while state of Telangana & Andhra Pradesh, we now seek your cooperation to motivate the young minds to take part in Wesley Olympiad and calibrate their competency.

Thanking you in advance,

ELIGIBILITY:

The students of classes III, IV, V, VI, VII, VIII, IX, X, XI, XII are of state, CBSE, ISCE and ICS syllabus students are eligible to participate in the examination.
