

9th TPM Circle Competition

10-11th July 2017, Delhi

Call for Paper

Being the main associate for the business growth in Indian Industry, CII Institute of Quality-TPM CLUB INDIA like to appreciate your organization for opting TPM as a tool for business growth, and would like to invite you to the 9th Circle Competition happening in Delhi.

Having achieved good level of results in TPM, the first focus is: “how effectively the organization is integrating the Circle activities towards the expectations of business goals” and the second focus should be “how much more the Circles can be deployed in Bottom up approach towards the Management objectives”.

There will be circle level case study presentations from various factories under various KPIs. TPM Club India CII would be glad to have your case studies done by the Operator Level / Shop Floor circles in the same forum. This will undoubtedly help your organization to take the level of circle activities towards Excellence.
