

31st Kaizen Conference & Competition

10-11 August 2017, Hotel Hilton, Chennai

Call for Papers: last date to submit is 31st July 2017

We are pleased to announce that CII TPM CLUB INDIA is organizing 31st Kaizen Conference & Competition during 10-11 August, 2017 at Chennai.

Kaizen Conference has emerged as a well-known unique platform for Indian Industries to showcase their innovative ideas in field of manufacturing improvements. This 2 days conference focuses and shares the information about best practices, innovative ideas, zero defect and zero accident philosophy, issues countered by companies on TPM journey & their practical solutions implemented by them.

Through this conference, CII TPM Club India – IQ always put it's one of the best feature to bring together experts, practitioners, counselors and professional people on TPM & Quality subject to exchange ideas, deliberate issues and learn in an informal setting. This year, Kaizen Conference will offer more than 70+ presentations from members of TPM Club India to showcase their strong competitive and remarkable innovative ability in this constantly changing business paradigms scenario.
