4. Inter School 'Integrity Club' Logo Competition:

Children are future assets of the country and it is important to cultivate moral values in them. Therefore, REC plans to encourage establishment of 'integrity club' in schools with following objective:

Objective – Establish student led clubs were members can learn values such as honesty, integrity, patriotism, respect and non-violence as well as become a part of crusade against corruption through rising awareness regarding existence, causes and threats posed by corruption, collectively participating in prevention and fight against corruption and equipping themselves with skills and knowledge needed to be able to monitor projects and services in their communities.

Activities of the club – The club is expected to perform a mix of class based, school based and community based activities which may include discussions on the topics they care about most, guest lectures, annual camps/excursions, film shows and case studies, discussions on latest happening, students participation in radio or TV programmes, Integrity bulletins/newsletter, training to students in a particular skill (for example, experts who train students on how to look at a budget, how to write a request for information letter, use of social media etc.).

REC invites schools to participate in designing a 'logo' for this flagship programme.
