 TTHPL OF THE TTHPL

Identification by using **nature's best method of sedimentation**

'INSAF'- Thematic Cycle of TTHPL

- **Identifying Talent:** **TTHPL** believes that there is enough raw talent in the society which needs to be identified irrespective to caste, creed, religion and region. **TTHPL** will implement various methodology in future to identify the talent.

- **Nurturing Talent:** Most of the organisations identify the talent, provide financial aid and then stop the process, but **TTHPL** starts from where others end the process. **TTHPL** will nurture those talent with various technique by using different tools in long run.

- **Sustaining Talent:** **TTHPL** will work on sustaining the talent for longer period of time by organising multiple Workshops, Trainings, Motivational speeches, Competitions, Exposure visits, Educational tours etc.

- **Accomplish Talent:** By the above process of 'INSAF', Talent can access various resources to Enhance their skills, Concepts, Analytical abilities & Skill based knowledge to face double sword challenges in future under the guidance of **TTHPL** Panel of Consultants (PoC) to accomplish their respective goals.

- **Fructifying Talent:** The main objective of **TTHPL** with all the above process is to support the talent, expose him/her to competition and bench marking to the world and making of "Would be" in their respective field steering the national cause. The ethos of the organization is based upon 'serving the nation'
