*The Happening Place*

# About the Department

The Department was started in the year 2007 and it provides state-of-art Infrastructure and computing facilities to students and faculty. The Department follows a well proven pedagogy of sharing knowledge with the young and vibrant minds of the college. Also, the Department promotes active industry-institute collaboration by identifying current trends and taking part in the research projects and consultancy services.

## Vison of the Department

To become a nationally recognized centre of excellence in the field of Information Technology through Teaching, Research, Consultancy and Service.

## Mission of the Department

 Producing graduates with high quality, state-of-art knowledge, innovation, ethics, and social responsibility.

 Promoting excellence in teaching, research, leadership and strong contribution to the society.

 Enhancing the student's knowledge in the recent technology by conducting continuing education programs, organizing and participating in various technical events.

 Promoting the industry-institute collaboration and empowering the students in multidisciplinary and interdisciplinary activities.
