Alpha College of Engineering:

Alpha College of Engineering was started in the year 2001. The College offers Diploma, Undergraduate, Postgraduate and Doctoral (Ph.D.) programmes in Computer Science and Engineering, Electronics and Communication Engineering, Mechanical Engineering and Civil Engineering. The College is located off international airport road on Hennur–Bagalur highway. The College has M.Tech programmes in Computer Network Engineering, VLSI and Embedded System Design, Structural Engineering and Thermal Power Engineering. The College has a Research and Development Center with state–of–the art facilities. All faculty are well qualified and competent. The college has adopted Six Sigma (6 σ) process and modern teaching methodologies using innovative teaching aids and technology.

The Alpha Educational Trust was formed with the main goal of providing affordable and quality education to deserving students. The trust includes well known personalities in the field of education. The trustees are academicians and technically qualified with rich experience in managing educational institutions.

Sir. M. Visvesvaraya

He was born in Muddenahalli, Chikkaballapur district of Karnataka on 15th September 1860. He is the greatest engineer statesman of India. He has set up several industries including VISL, Mysore Sandal Soap, State Bank of Mysore, Sugar mills….
