

Why do students of the same class with similar total marks have different National Ranks?

When more than one student gets an equal top score, priority for awarding ranks will be according to marks acquired in the following specified order of subjects: Mathematics (Biology for PCB group), physics, chemistry, biology and General Questions.

What is "*" in Rank column?**

"***" in the rank column indicates that the student got a rank below **500** and is selected for 2nd level of NSTSE-2016.

We do not declare the ranks for those students who got selected for 2nd level. We declare the ranks after the second level of exam for those students.

Selection Criteria:

2nd Level for the Top-500 students (Class 2-12) across the nation and Top-20 students from each state from each class will be conducted in the nearest selected State Head Quarters/Main Towns.

For Class-1 students NSTSE is a single level exam.

What does "--" in Rank column mean?

The marks of a student who gets less than 30 percentage of marks is shown with "--".

When is the second level of the exam and what are its timings?

Second level of National Level Science Talent Search Examination (NSTSE) is on 31-01-2016 (Sunday) Timings 9:30 a.m. to 11:30 a.m.
