5. Gratifications and Winner Selection process:

Prize Model	Criteria	Points	Product	Selection	Value (in INR)	Qty
Weekly Bumper Prize	1 MSISDN	8	Cash Card	National	2,000	8

WEEK 1 to 8

Weekly Bumper Prize

- The selection for the Weekly Bumper Prize winner will be conducted as per weekly schedule**.
- 1 MSISDN across circle groups*, with the minimum cumulative score of 8 points in the least amount of time during that week, will be selected as the winner.
- The points scored by an MSISDN from the questions that the MSISDN is entitled to answer in a week, based on that week charged value will only be considered for selection.

In the selection of the Weekly Bumper Prize in case of a tie in the score and in the time taken to answer, 1 round of tie-breaker will be conducted on voice for all the tied MSISDNs. In case of a further tie in the score and time taken, in the tie-breaker, the selection will be conducted by checking the time taken by the

MSISDNs to answer x-1, x-2 questions in the tie-breaker. i.e., if the tie-breaker has 35 questions, and there is a tie in this, then, the time taken for an MSISDN to answer 35-1=34 questions will be considered. In case of a tie in this, then the time taken to answer 34-1=33 questions, and so on will be Considered.

The time taken for answering a question on “Voice” mode, is calculated from the time OnMobile’s system plays beep (after question) till the answer DTMF input received by the system. On SMS and USSD channel time taken is calculated from the time system pushes the question till the answer input received by the system.

A Subscriber is eligible to win more than one Prize during the period of the Quiz, which means that he/she can win more than one Prize provided he/she meets the above said criteria of the respective Prizes.

Note: If a participant plays the Quiz over both the channels (Voice & SMS), his/her score will only be cumulative, and not exclusive for each of the channels. ie: if the participant has started playing the Quiz on voice and has scored 2 points in 3 questions, if he/she drops the call and resumes playing through SMS, he/she will be given the 4th question, and if he/she answers the question correctly, his/her score will be 3. And this will be the score that will be considered for the winner selection for all the prizes.
